

VIDEO SUBMISSION GUIDELINES

Please film yourselves as you have the argument you'd like "The Marriage Ref" to "rule" on.

In terms of logistics: WHATEVER WORKS! If you can have a friend or family member film you – great. If one of you can film the other and then switch – great. If you have a tripod or can rest the camera on a counter top – great. What's most important is that we see your argument and the central problem you'd like "The Marriage Ref" to address.

Also, feel free to tell us a bit about yourselves and show us anything relevant to the fight (if you fight about dirty dishes... Show us the sink!) Please don't worry about "production values" or how it's edited or anything technical. We're not looking for filmmakers, we're looking for real couples with a genuine argument you want settled. So don't waste any time or energy on making it look professional – we just want to see THE REAL DEAL.

*Please submit the video in DVD, mini-dv or VHS format. (If those don't work for you, fine—send what you've got and we'll figure it out.)

*The video must be free from any pornographic or graphically violent material, cannot contain any nudity and will not contain any content that is contrary to law or infringes upon the rights of any third party.

Thanks so much for taking the time to send us a video. We look forward to watching it!

Please mail your video with your NAMES CLEARLY LABELED to:
